INTERSCHOLASTIC ATHLETICS

The purpose of interscholastic athletics is both educational and recreational. The athletic program should encourage participation by as many students as reasonably possible and should be carried on with the best interests of the participants as the first consideration. This should be done in conjunction with the academic program. The Board will offer interscholastic athletics in a variety of sports subject to budgetary considerations.

Participation in interscholastic athletics at the middle and high school levels is subject to the rules adopted by the New Hampshire Interscholastic Athletic Association and other rules adopted by the Superintendent, Athletic Director and the school principal as set forth in the applicable coach and student athlete/parent handbooks.

All applicable School Board policies shall apply to all coaches, students and participants in interscholastic athletics.
